Daylight Burglary on Sylvan

One of our neighbors on Sylvan was burgled in the middle of the afternoon on Thursday, March 16th between 3pm and 4pm. The thieves unloaded a truckload of valuable equipment. Several cars passed them during the theft. If you think you saw something or if your security video may have captured information, please send an email to info@bvwna.org and it will be forwarded to the homeowner. Your information may help catch these bad guys.

Remember - if you see something suspicious, don't confront potential criminals - just take a photo with your phone to capture faces, license plates, or the crime in progress. If you see a crime, call 9-1-1 and also notify our Neighborhood Patrol Officer Travis Ward at travis.ward@fortworthtexas.gov

Consider the new Fort Worth Crime Watch Training held each month. Next training is at the Meadowbrook Library on Tuesday, April 4th, at 4:00 pm. Call and RSVP your attendance to 817-392-5520.

If there is enough interest, BVWNA can work with FWPD to schedule training

here in our neighborhood. if you are interested, send an email to info@bvwna.org and indicate the months that are best for you.
